### TERMINOLOGY

**Jalapeño Rollups** - a piece of tenderized meat and a slice of jalapeño wrapped in bacon and secured with a toothpick. Great for grilling!

**Bacon-wrapped Filets** - thick, butterfly steaks wrapped in bacon

Jerky - cured and dried with either black (reg.) or crushed red (hot) pepper

**Tenderized Cutlet** - machine tenderized meat perfect for chicken fried or smothered steak

**Sausage** - a minimum order of 30 lbs. per kind of sausage is required because we use your meat to make your sausage. The mix is 50% venison and 50% lean pork unless otherwise specified. You choose the spice level from Regular to Hot

**Fresh Ring** - ring of sausage that has not been cooked or smoked

**Smoke Ring** - Will need to finish cooking this item

**Jalapeño Cheese** - like Pepper Jack cheese. Not too hot and very yummy!

**Cheddar Cheese** - just like it sounds! No heat unless you add jalapeños!

**Raspberry Chipotle** - blend of sweet and spicy with a kick

**Pan Sausage** - breakfast sausage packed in an opaque plastic bag

**Summer Sausage** - log of ready to eat mild sausage - great with crackers

**Salami** - log of ready to eat sausage with peppercorns and garlic

**Dry Ring** - dried ring of sausage that is ready to eat - very portable

**Hunter Sticks** - dried stick of sausage also ready to eat and great for snacks
